

CPCCLSF2001 | NATIONALLY RECOGNISED TRAINING

BASIC SCAFFOLDING LICENCE COURSE

Practical training to erect, alter and dismantle basic scaffolding safely.

COURSE FEE

\$1,750

DURATION

5 DAYS

DAILY TIMES

8:00AM - 4:00PM

WHAT YOU WILL LEARN

- Plan and prepare for basic scaffolding work
- Identify hazards and apply effective risk controls
- Erect, alter and dismantle modular and bracket scaffolds
- Use ropes, gin wheels, safety nets and static lines
- Inspect, tag, hand over and secure scaffolding
- Complete the mandated knowledge and practical assessment

BE READY FOR TRAINING

- Current White Card (CPCWHS1001) evidence
- Photo identification and required enrolment documents
- Steel-cap boots, long pants, long sleeves and hi-vis
- Arrive 7:30-7:45am; late arrivals cannot be admitted

HIGH RISK WORK LICENCE

Successful completion provides the nationally recognised Statement of Attainment and assessment documentation needed to apply for the SA High Risk Work Licence class SB. The SafeWork SA licence application is separate and must be completed within 60 days.

Applicants must be at least 18 to obtain a High Risk Work Licence.
