

TLILIC0003 | NATIONALLY RECOGNISED TRAINING

FORKLIFT DRIVER TRAINING

Build the practical skills and confidence to operate a forklift safely.

COURSE FEE

\$595

DURATION

2 DAYS

DAILY TIMES

8:00AM - 4:00PM

WHAT YOU WILL LEARN

- Plan forklift work and identify workplace hazards
- Complete pre-start, operational and safety checks
- Interpret load capacity, data plates and attachments
- Lift, move, stack and place loads safely
- Manoeuvre around obstacles and communicate on site
- Park, isolate, shut down and report equipment faults

BE READY FOR TRAINING

- Photo identification and required enrolment documents
- Fully enclosed safety boots and high-visibility clothing
- Long pants recommended for practical activities
- Arrive 7:30-7:45am; late arrivals cannot be admitted

HIGH RISK WORK LICENCE

Successful completion provides the nationally recognised Statement of Attainment and assessment documentation needed to apply for the SA High Risk Work Licence class LF. The SafeWork SA licence application is separate and must be completed within 60 days.

Applicants must be at least 18 to obtain a High Risk Work Licence.
